

## 7-Eleven Convenient Store (pics 19-22)

Last Updated Thursday, 09 August 2007

7-Eleven

Portfolio Â

Seal Tech has installed new and replacement glass Anthony and Hussmann doors through out San Diego County for Southland Corporation as a Sub-contractor for all other contractors holding a service contract with them.

These Contractors understand the knowledge needed to complete an installation including wiring to separate lighting, heating elements, squaring, leveling and openings to provide proper seal and operation upon completion.Â

New vault doors at one of the many convenient 7-Eleven locations.
